SimpleBiz360 Jeffrey R. Mason,2019-10-01 This business book is written for solopreneurs and small companies. Simple, practical, effective and customer-pleasing business tools are arranged in eight operational groups. These 255 tools focus on small, one-percent improvements. The book layout and design facilitate rapid information retrieval and simple tool evaluation and implementation. This is a fast-read professional resource that is brief, clear and easy on the eyes.

Stakeholder Management David M. Wasieleski,James Weber,2017-06-02 This book brings together leading scholars in the field of stakeholder management to bring to light new and cutting edge perspectives on this important field. It is intended as a resource for both emerging and established scholars to create innovative advances in stakeholder management.

Strategy 360 Randall Bell,2008 Why are some people consistently successful, while others struggle? Why do some organizations take off, while others implode? It's not enough to simply have a plan -- the secret lies in having a complete plan that addresses ten crucial elements. If any link is missing, then everything is at risk. In Strategy 360, Randall Bell draws from his extensive experience in dealing with the nation's toughest challenges -- from Hurricane Katrina to the disaster at the World Trade Center -- to show readers how to craft their own winning game plans. He cuts through the theory, sugar coating, and happy talk about leadership and goal-setting to facilitate a real-world discussion about the ten strategies that generate success. By applying these invaluable tools, entrepreneurs, managers, parents, and others can develop the skills needed to face challenges head-on, and ultimately, to attain new levels of achievement in business and in life.

The 360° Corporation Sarah Kaplan,2019-09-03 Companies are increasingly facing intense pressures to address stakeholder demands from every direction: consumers want socially responsible products; employees want meaningful work; investors now screen on environmental, social, and governance criteria; clicktivists create social media storms over company missteps. CEOs now realize that their companies must be social as well as commercial actors, but stakeholder pressures often create trade-offs with demands to deliver financial performance to shareholders. How can companies respond while avoiding simple greenwashing or pinkwashing? This book lays out a roadmap for organizational leaders who have hit the limits of the supposed win-win of shared value to explore how companies can cope with real trade-offs, innovating around them or even thriving within them. Suggesting that the shared-value mindset may actually get in the way of progress, bestselling author Sarah Kaplan shows in The 360° Corporation how trade-offs, rather than being confusing or problematic, can actually be the source of organizational resilience and transformation.

Music, Money and Success Jeffrey Brabec,Todd Brabec,2011-07-18 The Insider's Guide to Making Money in the Music Industry. Millions dream of attaining glamour and wealth through music. This book reveals the secrets of the music business that have made fortunes for the superstars. A must-have for every songwriter, performer and musician.

360 Degrees of Success Ana Weber,2014-01-01 360 Degrees of Success is furnishing simple, effective and user friendly tools you can tailor into your personal, professional--business life and create your success at any age or time.

The 360 Degree CEO Lorraine A. Moore,2018-01-15 The 360 Degree CEO provides the tools and insights to successfully navigate your personal and professional journeys while, elevating your health, your relationships, your results, and your organization's performance. Where are the courageous and CEOs, leading with integrity and generating notable business returns? This is the question Lorraine A. Moore wanted to highlight--for herself and her clients. This book provides an amalgamation of lessons from Moore's work with some of the best leaders in Fortune 1000 companies, privately held rms, mid-cap businesses, and not-for-profits. Drawing on real-life examples in her work with executives and boards of world-class technology firms, banks, credit unions, professional services, mining, retail, healthcare, energy/oil and gas, and more, Moore highlights the industry agnostic every leader can adopt. The 360 Degree CEO provides the tools and insights to successfully navigate your personal and professional journeys while, elevating your health, your relationships, your results, and your organization's performance.

Corporate Social Responsibility James Weber,David M. Wasieleski,2018-05-14 Volume Two of Business and Society 360 focuses on research drawn from work grounded in corporate social responsibility and corporate citizenship.

The Qihoo 360 Way: Customer Connection Strategies that Capture Value and Drive Growth from a Global Expert in Internet Security Zhou Hongyi,2017-07-28 China's top Internet visionary reveals his secrets to online business disruption The most valuable commodity for an Internet-based business is the user, not the customer. No matter how "big" your ideas are, they're tiny in comparison to users' desires. The greatest Internet thinkers rely more on common sense than on technology. This is just a sample of the invaluable wisdom you'll find here--the first English translation of the classic work by the man who turned China's online business world on its head. In the Qihoo 360 Way, Zhou Hongyi reveals the strategies and tactics he used to attract half a billion users to his company's free antivirus product--360--and then leveraged that base to drive enormous revenue streams. Zhou shows how any business, no matter how big or small, can seize the competitive edge with solid, smart online products and strategies. Along the way, he takes you on a tour through the Internet Age, sharing his thoughts on everything from the fate of Netscape, the genius of Apple, and the pitfalls of Microsoft Vista to the pivotal role of cell phones, the future of wearable devices, and the ins and out of "Internet+." "The Internet is a creator of value," Zhouo writes, "and it is a destroyer of value." Read The Qihoo 360 Way and put yourself and your business on the winning end of that equation.

eCommerce 360: Start your Online Business, Create your eCommerce and Sell on Marketplaces Julian Delphiki,2020-04-19 eCommerce 360: Start Your Online Business, Create Your eCommerce, and Sell on Marketplaces is a comprehensive guidebook that equips aspiring entrepreneurs and business owners with the essential knowledge and strategies to establish a successful online business, create their own eCommerce platform, and effectively sell products on various marketplaces. The book also provides valuable insights into the Chinese market and the key considerations for selling in China. The book begins by emphasizing the fundamental steps required to start an online business. Readers are introduced to the various aspects of eCommerce, including choosing the right products, conducting market research, building a solid brand identity, and understanding the target audience. Through practical advice and examples, readers gain a clear understanding of the essentials necessary to lay a strong foundation for their online business. The authors then delve into the intricacies of creating an eCommerce platform. From setting up a user-friendly website to optimizing the customer experience and implementing secure payment gateways, the book guides readers through the technical and operational aspects of establishing an effective online store. Emphasis is placed on creating an intuitive navigation structure, optimizing product listings, and utilizing persuasive copywriting to maximize sales. Furthermore, the book explores the potential of selling products on various marketplaces. It provides a comprehensive overview of popular online marketplaces such as Amazon, eBay, and Alibaba, detailing the benefits and challenges associated with each platform. Readers learn how to navigate the marketplace landscape, optimize product listings, and leverage the unique features of each platform to expand their reach and drive sales. A significant aspect of this book is its focus on selling in the Chinese market. Recognizing the enormous potential of the Chinese eCommerce landscape, the authors provide valuable insights and strategies specifically tailored to this market. Readers gain an understanding of the major Chinese marketplaces, such as Tmall and JD.com, and learn how to navigate the complexities of cross-border eCommerce, including regulatory requirements, logistics, and cultural considerations. The book offers practical guidance on adapting marketing strategies, tailoring products to the Chinese market, and effectively reaching Chinese consumers. Throughout eCommerce 360, the authors emphasize the importance of effective marketing and sales

strategies. From leveraging search engine optimization (SEO) and social media marketing to utilizing influencer collaborations and customer reviews, readers gain insights into the various channels and tactics available to drive traffic and boost sales for their online business. **eCommerce 360: Start Your Online Business, Create Your eCommerce, and Sell on Marketplaces** serves as a comprehensive guide for individuals seeking to venture into the world of eCommerce. By combining practical advice on starting an online business, creating an eCommerce platform, and selling on marketplaces with insights into the Chinese market, this book equips entrepreneurs with the knowledge and strategies necessary to establish a thriving online business, reach a global audience, and capitalize on the opportunities of the ever-expanding eCommerce industry.

The 360 Degree Leader John C. Maxwell, 2011-10-18 Regardless of your position, learn how to lead with impact by utilizing John C. Maxwell's thirty years of experience teaching people how to make a significant difference in their organizations. As one of the most trusted leadership mentors, John C. Maxwell debunks the myths that hold people back from leaning into and developing their influence. In this inspiring call-to-action, he shows middle managers how to leverage their unique positions and become 360 degree leaders by exercising influence in all directions--up (to the boss), across (among their peers), and down (to those they lead). In **The 360 Degree Leader**, you will learn how to: overcome the challenges facing the vast majority of professionals; understand the pressures and pain points that come from being caught in the middle; and gain the confidence and competence to step into their roles as significant influencers. Complete with a workbook to help you personalize your leadership journey and the authors' plethora of stories, studies, and development models and strategies, **The 360 Degree Leader** equips you with the skills you need to begin making a difference in your organization, career, and life, today--with or without the promotion. There are endless opportunities for those trying to lead from the middle of an organization. From what you are, your influence is already greater than you know.

Gen Z 360 Hana Ben-Shabat, 2021-07-12 Generation Z doesn't play by the same rules or wait for permission. They don't stand for social injustice or splash cash with reckless abandon. They innovate. They influence. They side-hustle. They disrupt. Their arrival is changing everything we know about culture, work, and commerce and understanding who they are and how they think and behave will be crucial to educators, business leaders, and policy makers alike. Born between 1998 and 2016, this 78-million-strong cohort of young Americans is a generation like no other. They have never known a world without a search engine, cell phone, or social media and they grew up amidst constant economic, social, and political changes that have shaped their values. The combined effect of the two - technology and values - is creating a new set of norms and behaviors that will not only challenge everything we know about business but will also trickle up and spread to other generations. Getting to know Gen Z is therefore a business imperative and **Gen Z 360** is your ultimate guide for what's to come. Based on in-depth research and years of experience advising global brands and retailers, author Hana Ben-Shabat-an award-winning management consultant and founder of research firm Gen Z Planet- not only describes the unique characteristics of this upcoming generation, but also digs deeper into the why, explaining what's behind the change and thus what it will take to navigate it. From how to recruit, train, and integrate this hardworking and hungry generation into today's multigenerational workforce, through to how to market to them - **Gen Z 360** is packed with insights and no-

nonsense guidance that can make all the difference during one of the most transformative periods in business history. Believing that if you want to know a generation, just ask what's your biggest dream, Ben-Shabat in her ongoing research collected thousands of dream statements from Gen Zers. With the help of artists from all around the world, a selected number of these statements turned into illustrations. These are shared throughout the book, providing a unique perspective into the hearts and minds of this generation.

Hair Transplant 360 – Volume 3 Samuel M Lam, 2014-02-28 Provides latest advances in hair transplantation. Extensive internationally recognised author team. Includes DVDs demonstrating procedures.

The 360 Degree Leader Workbook John C. Maxwell, 2006-09-03 In The 360 Degree Leader Workbook, Maxwell addresses that very question and takes the discussion even further. You don't have to be the main leader, asserts Maxwell, to make significant impact in your organization. Good leaders are not only capable of leading their followers but are also adept at leading their superiors and their peers. Debunking myths and shedding light on the challenges, John Maxwell offers specific principles for Leading Down, Leading Up, and Leading Across. 360-Degree Leaders can lead effectively, regardless of their position in an organization. By applying Maxwell's principles, you will expand your influence and ultimately be a more valuable team member.

Bis 360 Richard Featheringham, Nancy Csapo, 2002-08
The Wish Elinor Stutz, 2016-07-16 The Wish: A 360 Business Development Process that Fuels Sales reveals essential communication and business development strategy for business owners of all sized companies. Everything Stutz learned from her professional sales career as a top producer to becoming a top1% influencer, according to Kred, is shared in this book. May you enjoy the Smooth Sale!

Management 360 Degrees Making a New Nepal Basant Chaudhary, 2023-07-05 The perfect handbook for young business managers and entrepreneurs. Management 360 Degrees: Making a New Nepal by renowned Nepalese entrepreneur Basant Chaudhary comprises select articles and columns published in one of the leading business magazines of the country over the last few years. The book addresses issues that are imperative for Nepalese professionals to succeed in an age of volatility, uncertainty, complexity and ambiguity. Even though the world is largely flat in today's digital age, it still exists in different knowledge zones, especially when it comes to the flow of latest business information, knowledge and practices. The author uses his vast understanding of the functioning of different economies across the world to bridge a knowledge gap for the youth of Nepal. Arranged chronologically, the writings delve into the most relevant challenges of the time. The objective of the book is to take the existing work culture of Nepal and marry it with the best global practices. The book also has important lessons on dealing with change, which is imperative for growth as well as for tackling new challenges smartly and effectively. The author's message to his young readers is simple: to be forewarned is to be forearmed. This is the ultimate mantra for those who are looking to survive and grow in an everchanging business climate. By sharing pertinent examples, the book exhorts people from the corporate world to always be on their toes. This book is ultimately about creating a level-playing field for Nepal's young executives.
