Cocktail Culture: The World's Greatest Cocktails The Coastal Kitchen,2022-07-12 Drink like a local even when thousands of miles away with more than 100 recipes from acclaimed bars around the world with Cocktail Culture: The World's Greatest Cocktails. Now you can enjoy cocktails from the world's best bartenders and mixologists from the comfort of your own home. These innovative and refreshing drinks honor and reinvent classics, make the most of local ingredients, and take full advantage of the world's dynamic cocktail scene. Bring big cities like London, Tokyo, San Francisco, Miami, Las Vegas, and Paris to you with top recipes from around the globe. This carefully curated list contains the signature recipes of trendsetting bartenders and mixologists the world over. You'll learn to master the most exciting cocktails and bartender originals. Experiment with new and exciting flavors to concoct craft cocktails, and make locally inspired bespoke ingredients such as syrups, infusions, tinctures, foams, and other blends. Look inside to find: - Detailed bartending tips, techniques, and preparations from the masters. - Signature recipes from the world's leading bartenders and mixologists. - Interviews with experts and industry insiders. - Stunning photography that captures the heart of each location's cocktail, from the romantic elegance of Paris to the rich cocktails of London, the traditional and contemporary influences of Tokyo, and the heart and soul of New Orleans and beyond. Cocktail Culture: The World's Greatest Cocktails collects all of that expertise in a single, eye-catching volume. Drink your way around the world without ever leaving your zip code with this comprehensive guide.

Up in the Air Philip Ardagh,1998

Medicine Caroline Petit,2014-01-30 The extent to which classical theories about, and practices of, medical knowledge have shaped and continue to define medicine today is remarkable: but not always widely appreciated. Caroline Petit here offers a concise yet comprehensive account of medicine in antiquity which explores precisely that fascinating legacy. Discussing topics such as medical ethics, diagnostic explanations of illness and disease, matters of sex and gender, the ancient division between body and soul, interpretations of madness and melancholia, and methods of medical teaching and dissemination, the author draws fascinating parallels between the ancient, early modern and modern periods. We learn, positively, that the ancient medical thinking of Galen, Hippocrates and Soranos of Ephesus nourished the thought of some of the greatest physicians in history; but also that, negatively, modern medical thinkers sometimes misused ancient texts in pursuit of their own social and political agendas - a recurring problem in the history of medicine. Discussing a variety of ancient texts, from the Hippocratic era to the late Roman Empire, and examining contested literary evidence and interpretations, Petit skilfully traces the trajectory of medical practice from its magical and religious origins to a rational science of pathology, physiology, surgery and anatomy.

Space Systems for Disaster Warning, Response, and Recovery Scott Madry,2014-09-06 This SpringerBrief provides a general overview of the role of satellite applications for disaster mitigation, warning, planning, recovery and response. It covers both the overall role and perspective of the emergency management community as well as the various space applications that support their work. Key insights are provided as to how satellite telecommunications, remote sensing, navigation systems, GIS, and the emerging domain of social media are utilized in the context of emergency management needs and requirements. These systems are now critical in addressing major man-made and natural disasters. International policy and treaties are covered along with various case studies from around the world. These case studies indicate vital lessons that have been learned about how to use space systems more effectively in addressing the so-called "Disaster Cycle." This book is appropriate for practicing emergency managers, Emergency Management (EM) courses, as well as for those involved in various space applications and developing new satellite technologies.

For All Time Jude Deveraux,2014-07-01 NEW YORK TIMES BESTSELLER • Jude Deveraux returns to the magnificent, sunny island in *For All Time*, the second novel in her Nantucket Brides trilogy—this time featuring the next generation of her beloved family of Montgomery-Taggerts. The wedding of Alix Madsen and Jared Montgomery is a glorious affair at an elegant little chapel in the woods, followed by dinner and dancing, all while moonlight blankets the festivities in a romantic glow. While most guests are fixed on the happy couple, Jared's cousin Graydon can't look away from a bridesmaid, Toby Wyndam. It's not just her quiet beauty that enthralls him or the way she makes him laugh. Toby possesses the truly remarkable ability of being able to distinguish Graydon from his identical twin brother, Rory. According to family legend, such a gift marks her as Graydon's True Love. But Graydon knows there is no possible way that they can ever be together, for he is heir to the Lanconian throne and is to marry a noble woman who has been chosen for him. Yet, intrigued by Toby, he asks her to help him hide on Nantucket for a week away from regal responsibilities. In exchange, he'll assist her with planning acclaimed novelist Victoria Madsen's lavish wedding. Since they both know their union is impossible, the pair promises that they will never be more than just friends. But there's more going on between Graydon and Toby than her unique power to tell him apart from his twin. At work are forces beyond their control, which are ruled by time itself. Combine that with the magical island of Nantucket, and a seductive spell is cast over Graydon and Toby. If they are to be together, they must change what once was, as well as what will be. **BONUS:** This edition includes an excerpt from Jude Deveraux's *Ever After*. Praise for Jude Deveraux and *For All Time* "Jude Deveraux is an amazing author, and her Nantucket Brides series will sweep you away." —Susan Mallery "Jude Deveraux takes us to a place where dreams are made. . . . For All Time is a page-turning time-travel romance that captures your imagination from the start and keeps hold till the very last page."—Fresh Fiction "A beautifully written story with a refreshing old-romance feel . . . Fans of Deveraux will be delighted, while new readers will fall in love with her signature writing style."—RT Book Reviews "A charming tale."—Library Journal "Engrossing . . . [a] romance that transcends time."—Kirkus Reviews
