*The True Indian History Pack: Set of 3 Books That Challenge Our Knowledge of Indian History; The Indian Struggle, Brainwashed republic, Gandhi and Anarchy* Neeraj Atri,Subhas chandra bose,Sir C. Sankaran Nair, This set is a collection of three amazing books that challenge the way history is taught and communicated in India. Indian Struggle : this book including of the following Introduction and chapters: 1.the background of Indian polity 2.landmarks in British rule in India 3.the new awakening in India

4.organisation parties and personalities chapters: 1.the clouds gather 1920

5.deshbandhu C.R.Das in power 1924-25 6.the slump 1925-27 7.in Burmese  
prisons 1925-27 8. the barometer rises 1927-28 9.signs of coming upheaval

Gandhi in Europe 1931 13.The Fight Resumed 1932 14.Defeat and surrender  
1933-34 15.the white paper and the communal award 16.a glimpse of the future  
Brainwashed Republic : The education system of India has been thoroughly  
compromised. It is being systematically used to create a historical grand  
narrative, which is ethically and factually incorrect. Sophisticated  
propaganda techniques are employed to create this artifice. This book is an  
effort to highlight this academic fraud. It is a result of research spread  
over more than 6 years. Facts are the guiding lights for the books and not  
any ideology. Gandhi and anarchy: the struggle for Indian home rule which was  
started with the inauguration of the Indian National Congress has many  
difficulties to encounter, has strong and powerful opponents and has received  
many checks. But its strongest opponent is Mr. Gandhi and perhaps the most  
severe check it has received is the adoption by the national congress at his  
instance in Calcutta and Nagpur of the so called Non-Violent Non-co-  
operation.

India: A Million Mutinies Now V. S. Naipaul,2011-08-02 An impassioned and prescient travelogue written during V. S. Naipaul's final sojourn to his ancestral homeland. Now with a new preface by the author. Arising out of Naipaul's lifelong obsession and passion for a country that is at once his and totally alien, *India: A Million Mutinies Now* relates the stories of many of the people he met travelling there more than fifty years ago. He explores how they have been steered by the innumerable frictions present in Indian society--the contradictions and compromises of religious faith, the whim and chaos of random political forces. This book represents Naipaul's last word on his homeland, complementing his two other India travelogues, *An Area of Darkness* and *India: A Wounded Civilization*.

*Ramrao* Jaideep Hardikar,2021-08-18 One morning in 2014, Ramrao Panchleniwar, an ordinary cotton grower in Maharashtra's infamous Vidarbha region, consumed two bottles of pesticide in a bid to commit suicide. But he miraculously survived. In *Ramrao*, rural journalist Jaideep Hardikar attempts to put a face to India's unending farm crisis with his story. He takes the reader on a journey of the everyday life of an Indian farmer, his daily struggles, his desperation to come out of his situation, his inability and many failings, the quagmire of issues he faces, and how he comes to a pass where he chooses to put an end to it all. The result of years of committed reportage, this is an evocative read that rescues an ordinary life from

obscurity and turns it into an essential biography for our times.

**Veerappan** Sunaad Raghuram, 2002-09-17 Veerappan: poacher, smuggler, killer - a fugitive who for more than three decades has sustained a crime frenzy as action packed and outlandish as anything Hollywood (or even Bollywood) could conjure. Determined to escape the crushing poverty of his childhood village, Veerappan was lured to a life of crime in his adolescence and eventually amassed a gang with as many as 150 members. He has kidnapped wealthy men, poached precious resources, and viciously ambushed police, killing more than a hundred. He stole such great quantities of explosives from nearby granite operations that the government ordered the industry to shut down. Yet to this day he has eluded capture, despite the government's creation of a special task force, the sole purpose of which is to stop him. The impenetrable Indian jungle provides him with shelter and refuge, while villagers, whether from fear or admiration, protect him from the police, so that year after year he has grown bolder and more power hungry. His most audacious act to date -- the kidnapping of India's biggest film star -- caused nationwide public upheaval and brought the film industry to a halt, while his demands for ransom presented the government with a crippling legal dilemma. Investigative journalist Sunaad Raghuram's meticulously researched report follows Veerappan's violent progression from a small-time poacher to the bloodthirsty criminal who has flouted the entire Indian police force and government for decades. Using the personal testimony of Veerappan's family members and

closest associates, Raghuram recounts this outlaw's crimes and examines his personal life as well, including a surprisingly touching first person account of what Veerappan's wife has endured. *Veerappan: India's Most Wanted Man* details the methods and madness of a man alternately hailed as a messiah and condemned as a murderer.

**Hindu Histories** Nipun Shukla, 2006 When journeying back into the past, from recent times to the ancient, one would find history gradually transform into legend, and legend into myth. This is especially true for a country as complicated and diverse as India. Thus, the ancient histories of its people, the Hindus (a broad term that includes all the people of the Indus River, the Sindhu), are also shrouded in myth and legend.

*Attacks on Hinduism and Its Defence Forever* Sanjeev Newar, 2017-03-25 Non-violence is the best thing to do to those who believe in same. It is the worst thing to do to those who don't. Overdose of non-violence ruined India. Hindus who never invaded a land could not protect their own. 1300 years of brutal Islamic onslaught changed everything. Hindus have become a minority in cities they founded once. Half of land and people that belonged to Hindus once have gone. Whatever is left has a big question mark. How long will it survive? Three decades or four or five? Jihadi forces in cahoots with communists have launched a massive propaganda war against whatever is left of India. Idea is to destroy India from roots. For this, the concept of India is being questioned. Hinduism being DNA source of modern India is thus the prime

target of this Jihadi-Communist nexus. This book deals with the most common attacks made on Hinduism. Is Hinduism in accordance with Science? Are the stories of vulgarity in Hinduism true? Why did Krishna have a love affair with Radha? Why do Hindus worship male organ- Linga? Why do Hindus burn their women when husband dies? Why Dashrath married three women? Is polygamy part of Hinduism? and 60 other questions.. First ever book on a comprehensive response to such allegations with hundreds of scriptural references and logic. Once you finish it, you will feel you know everything about Hinduism. Apart from being a reader, you can also play your part in silencing Jihadi-Communists' terror-conversion nexus by spreading the word.

*Unscripted* Vidhu Vinod Chopra, 2021-05-15 Starting in Wazir Bagh, a small mohalla in Kashmir, Vidhu Vinod Chopra's life has been well and truly unscripted. Over the last thirty years, he has blazed a trail in Hindi cinema, even going on to direct a film in Hollywood. From someone who once released his student film though it was incomplete because he ran out of money and film stock, he now has the distinction of heading one of the key production houses in India, VVC Films. The company has made some of the biggest blockbusters in recent times. Not only is he a filmmaker par excellence, but he has also nurtured some of the brightest talents in the Hindi film industry, including directors Rajkumar Hirani, Pradeep Sarkar, and Sanjay Leela Bhansali. In *Unscripted*, Vidhu Vinod Chopra speaks to his long-time collaborator and scriptwriter Abhijat Joshi about his exceptional

journey. Engaging and illuminating, the book provides a glimpse into the mind, method, and madness of one of contemporary Hindi cinema's best filmmakers.
