**Shopping Mall** Matthew Newton,2017-09-07 Object Lessons is a series of short, beautifully designed books about the hidden lives of ordinary things. The mall near Mat thew Newton's childhood home in Pittsburgh, Pennsylvania, was one of the state's first enclosed shopping malls. Like all malls in their heyday, this one was a climate-controlled pleasuredome where strangers converged. It boasted waterfalls, fish ponds, an indoor ice skating rink larger than Rockefeller Center's, and a monolithic clock tower illuminated year-round beneath a canopy of interconnected skylights. It also became the backdrop for filmmaker George A. Romero's zombie opus Dawn of the Dead. Part memoir and part case study, Shopping Mall examines the modern mythology of the mall and shows that, more than a collection of stores, it is a place of curiosity, ritual, and fantasy. Object Lessons is published in partnership with an essay series in The Atlantic.

**Bargain Fever** Mark Ellwood,2014-09-25 Almost half of everything sold in America is listed at some kind of promotional price. People don't only want a deep discount, they expect it - and won't settle for anything less. In this playful, deeply researched book, journalist Mark Ellwood takes a trip into this new landscape. From the floor of upscale department store Sergdorf Goodman to the bustling aisles of a Turkish bazaar, from the outlet Disneyworld of rural Pennsylvania to a town in Florida that can claim to be couponing's spiritual capital, Ellwood shows how some people are, quite literally, born to be bargain junkies thanks to a quirk of their DNA. He also uncovers the dark side of discounting: the sales-driven sleights of hand that sellers employ to hoodwink unsuspecting buyers. Bargain Fever is a manual for thriving in this new era, when deal hunting has gone from being a sign of indigence to one of intelligence. There's never been a better time to be a buyer - at least if you know how the game works. 'This book is a bargain hunter's bible.' Michael Tonello, author of Bringing Home the Birkin'Bargain Fever is just as fierce, funny, tenacious, and tantalizing as its author. I love this book.' Kelly Cutrone, founder, People's Revolution, and author of Normal Gets You Nowhere'A book after my own heart. Bargain Fever lifts the veils off the sales, ensuring even more that you'll never pay retail again.' Carmen Wong Ulrich, financial contributor, CBS This Morning, and author of Generation Debt'Highly informative and entertaining.' Booklist

**Emporium Department Store** Anne Evers Hitz,Anne Evers,2014-11-03 The Emporium--California's Largest, America's Grandest Store--was a major shopping destination on San Francisco's Market Street for a century, from 1896 to 1996. Shoppers flocked to the mid-price store with its beautiful dome and bandstand. Patrons could find anything at the Emporium, from jewelry to stoves, and it was a meeting place for friends to enjoy tea while listening to the Emporium Orchestra. Founded as the Emporium and Golden Rule Bazaar, the store flourished until the disastrous 1906 earthquake. Once it reopened in 1908, it dominated shopping downtown until mid-century. Many San Franciscans remember with great nostalgia the Christmas Carnival on the roof, complete with slides, a skating rink, and a train. Santa always arrived in grand style with a big parade down Market Street. After World War II, the Emporium, which had merged with H.C. Capwell & Co. in the late 1920s, began its push and opened branch stores throughout the San Francisco Bay area. However, as competition increased, the company's financial situation worsened, and the Emporium name was no more in 1996.

Minding the Store Julie Gaines,2018-10-30 “I really enjoyed this book. In fact, I could go for a second helping!”—Amy Sedaris “Entrepreneurs will learn a thing or two about translating a dream into thoughtful business growth,

and everyone will laugh, cry, and nod along with a woman who has chosen to live an extraordinary life amidst many piles of dishes.” —Danny Meyer, CEO of Union Square Hospitality Group, founder of Shake Shack, author of the New York Times bestseller *Setting the Table* In this charming graphic memoir, the founder of an iconic housewares shop recounts the ups and downs—and ups again—of starting a family business, starting a family, and staying true to one’s path while trying to make it in the Big City. Whether it’s a set of vintage plates from a 1920s steamship, a mug with a New Yorker cartoon on it, a tin of sprinkles designed by Amy Sedaris, or a juice glass from a Jazz Age hotel, Fishs Eddy products are distinctly recognizable. A New York institution, Fishs Eddy also remains a family business whose owners endured the same challenges as many family businesses—and lived to write about it in this tale filled with humorous characterizations of opinionated relatives, nosy neighbors, quirky employees, and above all the eccentric foibles of the founders themselves. Readers come to know author Julie Gaines and her husband, with whom she founded the store, and because this is a family business, the illustrations are all in the family, too: their son Ben Lenovitz’s drawings bring Fishs Eddy to life with a witty style a la Roz Chast and Ben Katchor. Over the years the store has collaborated with artists and celebrities such as Charley Harper and Todd Oldham, Alan Cumming, and many others to produce original designs that are now found in thousands of stores throughout the country, and Fishs Eddy has garnered a huge amount of media coverage. A great gift for anyone who has ever dreamed of opening a little business—or anyone with any kind of dream—*Minding the Store* offers wisdom, inspiration, and an exceedingly entertaining story.

**Shopping Environments** Peter Coleman,2007-06-07 Shopping centers have become the most common of shopping environments and have influenced the make-up of cities around the world. However, in recent years, the enclosed mall has evolved and diversified with new types of retail environments that were developed to better suit their locale and meet public expectation. This design guide has over 600 illustrations that present the core values and considerations that make a successful retail center: location, catchment user needs, as well as access and layout. Covering everything from site master planning to the essentials of public facilities and the technical systems, this is essential reading for architects of contemporary shopping centers. A series of international examples showcasing different types of shopping environments are included to cover the wide range of designs that have occurred in recent years. From the out of town mall to retail parks and mixed use town center developments, the best of contemporary design is illustrated to provide both practical information and inspiration.

**Younkers** Vicki Ingham,2016-11-07 When shoppers went to Younkers, they experienced something magical. Celebrities signed autographs, chefs gave cooking demonstrations and Miss Universe discussed the latest styles in swimwear. The flagship store, a showplace in the heart of downtown Des Moines, boasted dazzling selling spaces equipped with the first escalator and air conditioner in the state. The Tea Room established a legendary reputation for its food, fashion shows and Theater Nights. A great place to work, it gave thousands of teens their first paychecks and afforded hundreds of associates a lifelong career. Join Vicki Ingham for Younkers' journey to become one of the most important department store chains in the Midwest.
