Blizzard H. W. "Buzz" Bernard,2015-02-16 Everyone laughs at what southerners call a snowstorm. A half-inch of the white stuff, and Atlanta panics. No one's laughing this time. A freakish combination of weather elements surpasses even the experts' predictions. Suddenly much of the upper South is covered in several feet of snow. There's never been a storm like this in the region before. Never in recorded history. For Atlanta executive J.C. Riggins, the storm is only one of the killers he'll have to face. In a desperate bid to save his job, his company, and quite possibly his young son's life, Riggins must transport a defense contract to North Carolina. The deadline can't be missed. With airports and roads closed, Riggins sets out in an SUV through a stunned countryside where no one can help him if trouble happens. Which it does, the moment a dangerous criminal joins him for the ride. H.W. Buzz Bernard is an Air Force veteran and retired Weather Channel meteorologist. His 2010 hurricane thriller, Eyewall, became a number one bestseller in ebook. Visit him at buzzbernard.com.

Polar Storm Deborah D. Moore,2018-08-20 A nonstop blizzard puts one man in a desperate fight for survival in this action-packed prepper thriller from the author of The Journal series. A major snow storm covering most of the northern states isn't that unusual. One that stays for months on end is very unusual—and it's a killer. Parker is an easygoing young man who has had every advantage in life, including wealthy parents who have given him everything he's ever wanted. But after agreeing to live in the woods of northern Michigan for a year, he soon finds that kind of spoiled life has not prepared him for life off-grid—in the woods—in the ruthless wintertime. But with the help of the teenaged boy next door, he begins to learn how to survive in the woods, and just in time. A winter storm of unprecedented magnitude is bearing down on them, and it will take everything they have to make it out alive.

You know the kind. You wake up one morning, and all of a sudden an internationally feared assassin wants you dead? I hate it when that happens. And what do you do when the forecast for your friendly neighborhood TV weatherman looks like murder? KRGX meteorologist Greg O'Brien is having one of those days. He just hopes it's not his last.

The Snowstorm Ute Manecke,2018-10-31 Four strangers are gathered in a barn in the Devonshire countryside on New Year's Eve in the middle of a snowstorm. They are distraught and exhausted. Struggling with the tension and oppressive atmosphere surrounding them, each of them tells the others a story ? some are invented, some are taken from their lives. They tell of adventure, romance, rebellion and a mystery that the story's protagonist has to solve. Eventually, the strangers are calm and tired enough to go to sleep. However, it doesn't take long until their internal struggles resurface and their dreams turn into nightmares. Unable to conceal the nature of their suffering any longer, they start opening up to each other and reveal what has brought them to this desolate place they find themselves in. As the last day of the year comes to a close, their stories unravel.

He hatches a plan to camp out on the top of an abandoned ski resort, ride out the storm, and have hundreds of acres of fresh, unskied snow all to himself.
