Journey to Justice Johnnie L. Cochran, Tim Rutten, 1997 He's become a household name: Johnnie L. Cochran, Jr., the brilliant orator and legal strategist who captained the Dream Team in the trial of the century. But behind the man the media created is a story of a life spent in the trenches of the American legal system, fighting not for clients as high-profile as O. J. Farewell, Four Waters Kate McCord,2014-10-01 Day 14: It should have been the beginning . . . All she needed were stamps and signatures. Marie and her translator stood in the government offices in Kabul, Afghanistan, to complete the paperwork for her new literacy project. The women in her home town, the northern village of Shehktan, would learn to read. But a spattering of gun shots exploded and an aid worker crumpled. Executed. On the streets of Kabul. Just blocks from the guesthouse. Sending shockwaves through the community. The foreign personnel assessed their options and some, including Marie's closest friend, Carolyn, chose to leave the country. Marie and others faced the cost and elected to press forward. But the execution of the lone aid worker was just the beginning. When she returned home to her Afghan friends in Shehktan to begin classes, she felt eyes watching her, piercing through her scarf as she walked the streets lined in mud brick walls. And in the end . . . It took only 14 days for her project, her Afghan home,

her community—all of it—to evaporate in an eruption of dust, grief, and loss. Betrayed by someone she trusted. Caught in a feud she knew nothing about, and having loved people on both sides, Marie struggled for the answer: How could God be present here, working here, in the soul of Afghanistan?

Happy Sexy Millionaire Steven Bartlett,2021-03-25 THE SUNDAY TIMES BESTSELLER We are losing ourselves. We're chasing the wrong things, asking the wrong questions, and polluting our minds. It's time to stop, it's time to resist and it's time to rethink the fundamental social blueprint that our lives are built upon. 'As an 18-year-old, black, broke, lonely, insecure, university drop-out, from a bankrupt family, I wrote in my diary that I wanted to be a 'Happy Sexy Millionaire' by the age of 25. By 25 I was a multi-millionaire having created a business worth over \$300m dollars. Ironically, in achieving everything I set out to, I learnt that I was wrong about almost everything... The world had lied to me. It lied to me about how you attain fulfilment, love and success, why those things matter, and what those words actually mean. In this book, I'll dismantle the most popular, unaddressed lies about happiness that we've been led to believe. I'll expose the source of these lies, examine the incentives that fuel them and replace them with a practical set of scientifically proven and unconventional ideas that will help you to live a truly fulfilled life, a life full of the love you seek and the success you deserve.' 'This book will change your life if you let it.' - Tom Bilyeu, Co-Founder/CEO of Impact Theory & Co-Founder of Quest Nutrition
