The Biblical Aspect  
of Abraham's Life is a detailed study of the life  
of a wealthy and powerful Old Testament believer  
who is just like today Christians in many aspects,  
but was used by God to accomplish His plan and  
purpose. Written by pastors Ike and Queen Ozuome,  
this book offers some helpful insights into  
Abraham's wise and unwise actions within the  
biblical context and in terms of a contemporary  
understanding of Christian life. „« It is designed  
to help the Christian who is struggling in his or  
her walk with Christ to have a better  
understanding of how God interacts with His  
people. „« It is also a useful resource material  
for understanding your strengths and weaknesses  
and for identifying both the opportunities open to  
you and threats you face in your Christian walk  
with Christ. „« It can serve as a flashlight for  
anyone who is walking a dark path or who wants to  
learn from the mistakes of someone in the past as  
to avoid the same mistakes or pitfalls. „« It is a  
book that will help you link the things that have  
happened in the past with experiences that you  
have in the present.

**Abraham in the Book of Jubilees** J.T.A.G.M. van

Ruiten,2012-11-09 In Abraham in the Book of Jubilees Jacques van Ruiten offers a systematic analysis of one of the most important and extensive Second Temple Jewish treatments of the figure of Abraham (Jub. 11:14-23:8).

**The Testament of Abraham: Christian Apocrypha Series** Abraham,2020 This book deals with Abraham's reluctance to die and the means by which his death was brought about. God sends the archangel Michael to take Abraham to his death. When Abraham refuses, God eventually send in the Angel of Death, but not before showing Abraham some of the beauties of heaven and earth. A rare and thought-provoking story, which was long ago removed from the Bible.

Abraham David Rosenberg,2009-03-25 The world's three largest faiths all find a common root in one man: Abraham. Breaking new ground, David Rosenberg portrays Abraham as a man whose whole life, and therefore his legacy, is informed by the Sumerian culture that produced him. Abraham is a brilliant literary excavation of the ancient cultures from which our modern world has grown.

Abraham's Other Sons Grant Bishop Williams,2009-08 This book is about the Patriarch Abraham and his extended family. The people of the Jewish, Muslim and Christian beliefs all know that they are the children of Abraham. The people of

each of these great faiths hold Abraham in extremely high regard, but over time their kinship has eroded due to a number of situations and circumstances. This book strives to show that all mankind has a common beginning and that mankind and those in the three great faiths not only share a great common history but that they are tied together through the acts of Abraham and his descendants including Isaac, Ishmael and Keturah's six sons. For it is through these men and their early descendants that we have the Jewish and Christian (Isaac); Muslim (Ishmael); and the majority of Keturah's descendants are now also Muslim. Herein we provide a fleeting glimpse of mankind from Adam through his early descendants to Noah and his three sons; then we focus on Noah's son Ham so that we can look at his four sons - Cush the father of Ethiopia; Mizraim the father of Egypt; Phut the father of West Egypt and Libya; and also on Canaan whose descendants originated many nations. Here we also take a look at Noah and the famously alleged curse placed not on Ham but one of his sons and we try to discuss this matter from a factual rather than an emotional view. In today's world there are growing tensions and mistrust between these three communities (Jews, Muslims and Christians) but if they would take a close look at not only who they are but from where they came they might accept the fact that they are near kinsmen who have more in common than there are differences between them.

Williams,2021-01-06 Education in part is the thing  
that prepares you for life on life's terms. It is  
also the thing that leads you to the abilities  
that God has placed within you. Through Abraham's  
story and the dialogue in this study guide, I

things but even the smaller things that God has  
done in your life as well, which will bring you to  
a much closer relationship with the Father.

*Abraham* Terence E. Fretheim,2024-03-12 Terence  
E. Fretheim guides readers through the intricacies  
of Abraham's story in Genesis, examines his  
family, and assesses the significant roles this  
family plays across Judaism, Christianity, and  
Islam. Fretheim frames the narrative as rooted in  
the trials of family and faith that define Abraham  
as the father of three religions.

Stephen Hendel,2005-02-03 Publisher Description

Abraham - the father of faith Domenico  
Barbera,2019-03-29 Speaking of Abraham, it is not  
the simple tale of a character of antiquity, who  
was famous Abraham that the Bible presents as the  
father of a people, that is the Jews. Because if  
this is true, in that it cannot be disputed,  
according to what the Bible says, it is also true  
that Abraham is not only the acknowledged father  
of the Jews, but it is also the father of faith,  
as the New Testament recognizes it as such. The

purpose of our intervention, is not only to talk about this, but mainly highlight the characteristics that Abraham had that from the point of view of faith, made him famous, not only among the Jews, but also in the midst of Christianity. In fact, when Christianity speaks of Abraham and holds him up for example of faith, it does so primarily on the basis of the characteristics that showed in believing in God and in having faith in Him, in all that which God said and the promises that he promised. These are the essential elements of antiquity proved that this man in his time, which made him famous in this area of life, Christianity, do not hesitate to call the Christian character, supported especially by the testimony that the same Jesus made when talking about him, and pointed for example model to the religious Jews who constantly challenged.

**Abraham** Joseph Blenkinsopp, 2015-05-25 In this discursive commentary Joseph Blenkinsopp explores the story of Abraham -- iconic ancestor of Judaism, Christianity, and Islam -- as told in Genesis 11-25. Presented in continuous discussion rather than in verse-by-verse form, Blenkinsopp's commentary focuses on the literary and theological artistry of the narrative as a whole. Blenkinsopp discusses a range of issues raised in the Abraham saga, including confirmation of God's promises, Isaac's sacrifice and the death of Jesus, and Abraham's other beloved son, Ishmael. Each chapter has a section called Filling in the Gaps, which probes some of the vast amount of Jewish, Christian, and Islamic commentary that the basic

Genesis text has generated through the ages. In an epilogue Blenkinsopp looks at Abraham in early Christianity and expresses his own views, as a Christian, on Abraham. Readers of Blenkinsopp's *Abraham: The Story of a Life* will surely come away with a deeper, richer understanding of this seminal ancient figure.

*Abraham from Faith to Faith* Harold

Thompson, 2017-05-12 Abraham was not a super hero when God called him to go to Canaan. He models for us growth in his relationship with God and demonstrates to us how to endure difficulties in his spiritual journey. His life also encourages us to be more dependent on and trusting more in God's promises and their fulfillment.
