Shadow Music Julie Garwood,2008-12-30 “Action, drama, desire, revenge: Shadow Music includes all the necessary ingredients for romantics to plunge into the moors, mountains and magical myth of medieval Scotland.”—The Roanoke Times
Prized for her exquisite beauty, Princess Gabrielle of St. Biel, the daughter of one of England’s most

influential barons, is a perfect bargaining chip for a king who needs peace in the Highlands: King John has arranged Gabrielle's marriage to a good and gentle laird. But this marriage will never take place. Upon her arrival in Scotland, Gabrielle is immediately entangled in Highland intrigue, as a battle royal flares between enemies old and new. For two sadistic noblemen, underestimating Gabrielle's bravery and prowess may prove fatal. Colm MacHugh, the most feared man in Scotland, makes no such mistakes about the captivating princess. Under his penetrating gaze, neither Gabrielle's body nor her heart is safe. "No one does historical romance better than Garwood. . . . Gabrielle is an enchanting heroine."—The State (Columbia, S.C.) "A compelling historical romance."—Publishers Weekly

Ethnomusicology Helen Myers,1993 *Complementing Ethnomusicology: An Introduction*, this volume of studies, written by world-acknowledged authorities, places the subject of ethnomusicology in historical and geographical perspective. Part I deals with the intellectual trends that contributed to the birth of the discipline in the period before World War II. Organized by national schools of scholarship, the influence of 19th-century anthropological theories on the new field of comparative musicology is described. In the second half of the book, regional experts provide detailed reviews by geographical areas of the current state of ethnomusicological research.
