Mom Jokes Lisa Beth Johnson,Phoebe Bottoms,2021-03-09 The authors of Okay, Boomer deliver much-needed one-liners, puns, lists, and real-life tweets to lighten the load—and life—of moms everywhere. Moms need their laughs just as much as anyone, especially when they have to relieve the stress of cranky kids, oblivious spouses, and the challenges of balancing work and family while keeping it all together—at least on the surface! Mom Jokes is a collection of more than 300 snarky, sassy, and witty jokes for moms, such as . . . Every Mother’s Day my children make me breakfast in bed. Good thing I taught them how to make bottomless mimosas. What’s the difference between me when I’m nine months pregnant and a supermodel? Nothing, because my husband values his life. The good thing about going back to work after having kids is that you have your mom boss voice perfected. I thought my seven-year-old was mature enough to feed our goldfish—and he is—he just isn’t mature enough to know they don’t eat peanut butter and jelly sandwiches. From family life and the daily grind to food and entertainment, this collection of jokes nails the ups and downs of motherhood, giving moms light-hearted moments to get through the heavy lifting.

Epstein Dylan Howard,Melissa Cronin,James Robertson,2019-12-03 This is—for the first time—the full and unedited story behind the sick life and mysterious death of Jeffrey Epstein that is being called one of the most significant scandals in American history He was the billionaire financier and close confidant of presidents, prime ministers, movie stars and British royalty, the mysterious self-made man who rose from blue-collar Brooklyn to the heights of luxury. But while he was flying around the world on his private jet and hosting lavish parties at his private island in the Caribbean, he also was secretly masterminding an international child sex ring—one that may have involved the richest and most influential men in the world. The conspiracy of corruption was an open secret for decades. And then this summer, it all came crashing down. After his arrest on sex trafficking charges in July, it seemed Epstein’s darkest secrets would finally see the light. But hopes for true justice were shattered on August 10 this year, when he was found dead in his cell at the Metropolitan Correctional Center, New York. The verdict: suicide. The timing: convenient, to say the least. Now, Epstein: Dead Men Tell No Tales delivers bombshell new revelations, uncovers how the man President Trump once described as a “terrific guy” abused hundreds of underage girls at his mansions in Palm Beach and Manhattan... all while entertaining the world’s most powerful men—including President Clinton, Prince Andrew, and Donald Trump himself. How much did they know about his perversions? And did they take part? How might they have helped him to continue his abuse, and to escape justice for it? What responsibility might they have for his sudden, shocking death? And is there a shocking spy and blackmail story at the heart of the scandal? The answers to these

questions and more will be explored in Epstein: Dead Men Tell No Tales with groundbreaking new reporting, never-before-seen court files, and interviews with new witnesses and confidants. Combining the very best investigative reporting from investigative journalists Dylan Howard, Melissa Cronin and James Robertson—who have been covering the case for close to a decade—will send shockwaves through the highest levels of the establishment.
