How to win BIG and Make Money on High Limit Slots John F. Kennedy,2018-10-17 This book is about bettering your odds on playing High Limit Slot Machines. There is a myth that you can't make money on slot machines. However, over the years through trial and error, I have discovered a system that has been working for me over several years that has helped me produce almost a million dollars in hand pay jackpots. A system that I have expressively shared in this informational guide. All this information is based on my own personal gambling experiences in various casinos' around the USA. Not Just Another Slot Machine Strategy System Greg Elder,2012 The bad news is there is no secret system that exists where you can beat the casinos playing slot machines. The good news is there is a system (for some reason people love the word system when it comes to gambling methods, so I'll stick with it), where you can leave the casino with money in your pocket, and not have that empty hollow feeling inside because you

just lost more money than you can afford to lose. This is where I come in. With the system I've developed, you can still play slot machines and have a good time, but using these methods, you're more than likely going to come home with some money.

Stupidity and Slot Machine Players in Las Vegas David A. Goldberg, 2006-04 Stupidity and Slot Machine Players in Las Vegas is the book that the Las Vegas casinos do not want you to know about. This book exposes the ridiculous, hilarious side of slot machine players seen through the eyes of the slot attendants who wait on them. Just as poker and blackjack go hand-in-hand with the glitz and glamour of Las Vegas, slot machines represent the main source of revenue for every casino. Find out why movies and television shows don't feature slot machine players. The gloves are finally off in telling the truth about these gamblers. The casinos cannot protect them any longer. Be prepared to learn about the ugly underbelly of Las Vegas at the average, everyday slot machine player. Along the way you will also learn what slot attendants really know about the slot machines. If you thought that playing a slot machine was as easy as pulling a handle or pushing a button, you will be amazed!
