Twelve Years a Slave by Solomon Northup Solomon Northup,1853

Henry James's Europe Dennis Tredy,Annick Duperray,Adrian Harding,2011 As an American author who chose to live in Europe, Henry James frequently wrote about cultural differences between the Old and New World. The plight of bewildered Americans adrift on a sea of European sophistication became a regular theme in his fiction. This collection of twenty-four papers from some of the world's leading James scholars offers a comprehensive picture of the author's crosscultural aesthetics. It provides detailed analyses of James's perception of Europe - of its people and places, its history and culture, its artists and thinkers, its aesthetics and its ethics - which ultimately lead to a profound reevaluation of his writing. With in-depth analysis of his works of fiction, his autobiographical and personal writings, and his critical works, the collection is a major contribution to current thinking about James, transtextuality and cultural appropriation.

Lights! Wedding! Ludhiana Jas Kohli,2021 All hell breaks loose when a hardcore environmentalist ends up increasing his carbon footprint in a way least expected. A new day dawns in Ludhiana, a city of big cars and even bigger show-offs. The Rahejas are different-well, at least one half of the Rahejas. Reeti Raheja is the free-spending stunner, while Kushal, her industrialist husband, is a fanatical environmentalist and a misfit in Ludhiana. The story starts with Reeti, who is preoccupied with planning her outfit and make-up in order to dazzle the invitees during a wedding celebration. However, things soon go awry when her mischievous son Lakshya uncovers a secret that sets off a series of mis-happenings and also threatens to create a big turmoil in the family. After they reach the wedding venue, there is not a single dull moment. It's full on Lights! Wedding! Ludhiana! Will the Rahejas be able to weather this storm? In his third novel, medico-cum-author Dr Jas Kohli, takes humour and satire to another level with his depiction of a quirky family in a small but famous town.

The Forbidden Zone Mary Borden,2023-09-01 Mary Borden worked for four years in an evacuation hospital unit following the front lines up and down the European theater of the First World War. This beautifully written book, to be read alongside the likes of Sassoon, Graves, and Remarque, is a collection of her memories and impressions of that experience. Describing the men as they march into battle, engaging imaginatively with the stories of individual soldiers, and recounting procedures

at the field hospital, the author offers a perspective on the war that is both powerful and intimate.

Beloved Boy Henry James, Hendrik Christian Andersen, 2004 The two men met on only six occasions, and never for more than a few days, so their friendship was almost entirely epistolary. The letters assembled here, nearly half of which are previously unpublished, exhibit a voice decidedly more vulnerable than that which we usually associate with James. They also shed new light on the writer's homoerotic leanings, as he approaches Andersen with a passion, as well as a tenderness, typically reserved for a lover.

Italian Hours Henry James, 1909

Henry James and the Second Empire Angus Wrenn, 2017-12-02 Three years spent in France, during the 'Second Empire' of Napoleon III, gave Henry James an early mastery of the French language and its literature. When he settled in Europe, as an adult, it was not in Britain but, briefly yet crucially, in Paris. This study identifies the 'missing link' in the history of James's literary engagement with France, between Balzac, revered throughout his career, and later French writers. It was Second Empire writers who spurred James's own contribution to the novel. While realism courted official displeasure, culminating in the prosecution of Flaubert's *Madame Bovary*, and closure of the radical *Revue de Paris* which serialized it, the conservative *Revue des Deux Mondes* (to which James subscribed) enjoyed imperial approval. James remained indebted to the authors published in its pages - Edmond About, Victor Cherbuliez, and Octave Feuillet - to his close friend Paul Bourget, and to the era's greatest playwright, Alexandre Dumas fils.

Maths Copy Dr Pulak Puneet, 2020-10-29 The author seeks to take the reader on a slow roller coaster ride down memory lane, halting en route at the stations of childhood, youth and adulthood. He makes the reader visit the mind of an impressionable child who can be distraught over a trivial looking matter, a youth stuck in a demanding situation, a doctor's doubts and redemption, a distressed parent, a responsible citizen and so on, all in different stories. He shares his thoughts over various issues very subtly and invites the readers to search their minds for their own stance on the same. He reminisces about a gifted classmate, muses over life, shares his misadventure as a child and then some more. He has tried to put different colors from his palette on different canvasses in a collection which promises to keep you interested through delicate twists and the occasional surprise.
